RE: Correction of Informalities (replacement claims and replacement abstract)

This letter is in recognition and compliance to USPTO's notice to file corrected application papers. Replacement claims and replacement abstract in compliance with 37 CFR 1.75(h) and 37 CFR 1.72(b) respectively are enclosed and are to replace existing claims and abstract located within patent application # 10/800,278.

A handwritten signature in cursive script that reads "Gregory A. Morris".

Gregory A. Morris
